MODERN SHAKER

STEPPED SHAKER

**Standard & Bespoke Sizes | Ready to Fit | Made to Last**

At Quasar, we supply high quality Shaker style MDF doors, custom made to suit kitchens, wardrobes, and interior joinery projects. Whether you need standard sizes or something bespoke, our doors are manufactured to specification, ensuring every space gets a perfect fit.

**Custom Options**

- CNC-cut with sharp, consistent profiles
- Standard or custom sizing available
- Designed for kitchens, wardrobes, and interiors

**Finish Options**

- Raw MDF – Ready for on-site finishing
- Primed – For quick and easy painting
- Painted – Fully finished in your specified colour

**Design Choices**

- Range of shaker panel styles
- Made from moisture-resistant (MR) MDF
- Optional edge profiling for added character
