#### TECHNICAL:

Info

Each veneer is pressed onto high-grade MDF substrates, fully tailored to your project requirements — whether for wall panelling, furniture production, cabinetry, or standout feature installations.

#### ✓ AVAILABLE SPECIFICATIONS

- Substrate Thickness: Available in multiple thicknesses to suit your application
- Sheet Sizes: 2440 x 1220mm and 3050 x 1220mm as standard, with custom sizing available upon request
- Grain Orientation: Vertical or horizontal
- Cut Type: Crown Cut, Quarter Cut, or Planked
- Matching Style: Bookmatched or Slipmatched (veneer stitch patterns)
- Finish Options: Raw or lacquered with sheen levels from 5%, 10%, 15%, and higher

#### ✓ CNC SERVICES

- Edging available to match
- Samples available for designers, specifiers, and trade professionals
- All veneers can be previewed in our physical showroom or digitally via our website. Each board is carefully cut, glued, pressed, and finished — ensuring consistency, durability, and elegance across every surface.
